

TECHNICAL THEATRE APPLICATION REQUIREMENTS

Have someone off camera ask you to questions listed below. Answer them to the best of your ability. Please see the *Recording Requirements* on the website for technical instructions. Please note that your recording may not exceed eight minutes.

You may show pieces of your portfolio in your recording, such as prompt books, photographs, sketches, models, floor plans, light plots or any other artifacts that reflect both graphic skills and technical abilities.

Please answer the following questions:

1. In what area or areas of technical theater have you excelled?
 - a. Give a play or musical title.
 - b. Be specific and explain your contribution to the production.
 - c. In answering this question, you should show artifacts from your portfolio.
2. What is the most important thing you learned during this project?
3. What were some obstacles you needed to overcome?
4. What advice would you give a freshman who has an interest in technical theater?
